We Survived And Thrived (Good Old Days)

Synopsis

When things go wrong as they sometimes will, When the road you're trudging seems all uphill, When the funds are low and the debts are high And you want to smile, but you have to sigh, When care is pressing you down a bit, Rest, if you must, but don't you quit. Times were tough, but we made it through. These were times when people depended on one another, when they learned to take nothing for granted, and to recognize those things that were more important than the luxuries money could buy.

Customer Reviews

Very east to read and understand the logic that this book supports through good old common sense! Great little book!

Came quickly and in very good condition. I work with the Widows Ministry in my church and plan on ordering more of these books to put in our library. Would recommend this seller.
