Guysborough Sketches And Essays Revised Edition

Synopsis

Nova Scotia juts out from the North American continental mass as if it has been intended to be the point of approach or departure for all traveling on the North Trans-Atlantic sea lanes. Guysborough County is the very pinhead. The widely flaring mouth of Chedabucto Bay stands open as if to welcome travelers. Throughout history, a variety of people have accepted the invitation. And in *Guysborough Sketches and Essays* author A.C. Jost talks about these people and has compiled a collection of essays detailing the background of Guysborough County. A group of interlinking articles, this collection of essays and genealogies of the original Loyalist settlers has been regarded as the most authoritative account of the history of this area. An invaluable source of information about local lore, *Guysborough Sketches and Essays* recalls many noteworthy events including the county's early turbulent past, the tragedy and drama of three shipwrecks in three years beginning in 1780, and the discovery of gold in Wine Harbour in 1860. With maps and drawings, this history book is a valuable resource for those conducting genealogy research and for those seeking stories about this treasure in northern Canada. A.C. Jost was born in Guysborough, Nova Scotia, in 1874 and graduated from McGill Medical School in 1897. He practiced in Guysborough until joining the army in 1916. He became the provincial health officer until 1929 and then the State of Delaware health officer until retiring in 1940.

Book Information

Paperback: 496 pages

Publisher: Trafford Publishing; Revised ed. edition (September 30, 2009)

Customer Reviews

This revised and updated edition of *Guysborough Sketches* is invaluable to family historians with ancestors in this region of Nova Scotia. It includes additional information not found in the original

edition.

The title of the book doesn't give the reader a clue as to the valuable information contained within! Great book on the history of Guysborough County, Nova Scotia, Canada. It's great for genealogists who want the background of their roots. It even contains names of families with dates of birth, marriage and death if known to the author.
