50 Jamaican Short Stories

Synopsis

My Book entitled "50 JAMAICAN HISTORY STORIES" is 50 short stories relating Jamaica's history over five hundred years. It covers stories from the early Spanish occupation into the British Colonial times. The stories are about the people who shaped the Islands destiny into the present era. Jamaicans are comprised of diverse ethnic origins and religious denominations. The culture is full of the African and Jewish influences that have shaped the psyche of the Jamaican people as a whole. The motto "Out of many: One People" is fittingly true.
