Police Administration: Structures, Processes, And Behavior (9th Edition)

Synopsis

For courses in police organization, management, and administration. Â Introduction to police organization and administration illustrated with visual aids, case studies, and real-life experiences Built on the foundation of its authorsâ ™ decades of experience in law enforcement, training, and teaching, and updated to reflect recent subjects and concerns in the field of police work, this Ninth Edition of Police Administration: Structures, Processes, and Behavior blends a comprehensive introduction to police administration with key supporting details. Content is comprehensively illustrated with relevant, never-before-seen photographs, original tables and diagrams, cases studies, and â œCurrent Eventâ • boxes that provide thorough explanations of recent events. In this updated edition, the authors explore the evolution of American policing and modern organizational issues. This best-selling text vividly and effectively introduces students to the procedures, politics, and human relations issues that police supervisors and administrators must understand in order to succeed.
