HOW TO PLAY PICK'EM

In PICK'EM POKER, you play with five cards, as shown in the picture above. There are two cards on the left and one "Total" card on the right. You have the opportunity to hold or discard cards. That choice is completely yours. You decide on the right. Each of the two strategy cards represents the top 100% of a deck of 52 cards. The two strategy cards in each deck are the two cards on the right. You decide what they are. When you hold one of the two cards on the right, the two hidden cards are turned over to give you the completed 5-card hand.

One word of caution to novice video poker players: you have the opportunity after you have held a card to "suck" it back to the dealer's hand. This is a good idea. You do not have the opportunity to PICK'EM. As soon as you press one of the two strategy cards, the game is immediately completed.

PICK'EM is a "Video or better" game with a pay of three to five (using a payout of 2 to 1).
