Branfman once again had me laughing out loud every minute of reading it. It's hard to find clever, original puns these days. I'm getting my dad a copy for Father's Day! I don't know how he does it. I may or may not have used a couple of his puns at parties to show the ladies I can be funny....

Benjamin Branfman has created, yet again, another hilarious collection of puns. Quick, clever and intelligent - he keeps the laughs coming. A great gift! Can't wait for an even larger book of puns to come out!

Predictable. To much "I guess you would say....." His other book was the same.

Great coffee table material--anyone "wood" enjoy this book!
