Lights! Camera! Hammerhead! (Shark School)

Synopsis

Harry has hopes of hammerhead stardom in this second book of a fin-tastic chapter book series. When humans show up at Shark Point to film an underwater documentary, Harry Hammer is thrilled. He's sure he's meant for the spotlight, but will he end up with the starring role of his dreams, or stay in deep-sea oblivion?

Customer Reviews

Great series for boys!

Can't even begin to describe how much my seven year old son loves this series! He actually asks to go to bed early so we can read together. Getting concerned though because we're just about to finish #4 and there are only two more to go!!!

Cute book. My eight year old loves it. She read it in two days.

perfect! Thanks
