The Lord Of The Rings Movie Trilogy Coloring Book

Synopsis

Experience your favorite characters and enchanted scenes from one of the most famous fantasy worlds ever created—Middle-earth—in a brilliant new way with this first authorized coloring book based on the Academy Award-winning epic motion picture trilogy *The Lord of the Rings* directed by Peter Jackson. The groundbreaking, award-winning *The Lord of the Rings* film trilogy directed by Peter Jackson brought J.R.R. Tolkien's magical world of Middle-earth radiantly to life for millions worldwide. Now, fans can explore this enchanted universe as never before with the official *The Lord of the Rings Movie Trilogy Coloring Book*. Embark on your own coloring adventure through the lands of Middle-earth, from the grim landscape of Mordor to the majestic realms of Minas Tirith and Rivendell, from the Fellowship's frightening journey through the mines of Moria to the Battle of Pelennor Fields. The *The Lord of the Rings Movie Trilogy Coloring Book* is packed with black-and-white line illustrations—all breathtaking in detail—that showcase favorite characters, including Gandalf, Aragorn, Legolas, Frodo, Sam, and Gollum, as well as iconic creatures such as the tree-like Ents, the fearsome Balrog and the hideous Shelob. This companion book also features some of the unforgettable props used in the films, such as the One Ring, Frodo's sword Sting, and Arwen's beautiful Evenstar. The line drawings in *The Lord of the Rings Movie Trilogy Coloring Book* are printed on heavy stock paper that absorbs colors and prevents them from bleeding through no matter which medium—paint, marker, pen, pencil, or crayon—you choose. Whether you want to color each image true to life or prefer to add your own imaginative flourish, the choice is up to you! An exciting, artistic journey through Middle-earth, *The Lord of the Rings Movie Trilogy Coloring Book* is ideal for dedicated Rings fans, coloring enthusiasts, and anyone looking for a few hours of creative fun.

Attached to this review will be a silent flip-through of the entire coloring book so you can make an informed decision as to whether or not it will work for you. I will also include a few sample photos of designs pages from the book as well. Rather than discuss how this coloring book is like or different from movies (or the books), I will discuss only how I feel about it as an adult coloring book. I will note that this coloring book is based on the movie trilogy of the Lord of the Rings. The characters look like those actors or characters rather than any illustrations in this books. The designs in this book have two distinct styles. This makes sense as the credits for them are both to an individual (Nicolette Caven) as well as a company. They are different but mesh fairly well together. The designs with the wording are generally fairly simple to color while the more elaborate two-page spreads are quite involved, detailed and have intricate and small spots to color. This coloring book is printed on both sides of the page with all designs spread across two pages. In some cases, this means that the picture is fully spread across two pages and in other cases, the design is on one side of the page and the words that accompany it are on the other side of the page. In the latter case, there is usually a border that spreads across two pages. It is because of this and the glue binding that doesn't allow for easy access to all parts of the design and which makes it pretty impossible to remove pages from that I gave this book a 4 star rating rather than a 5. My first project in this book is of Gollum.
