Renfrewshire: A Scottish County's Hidden Past

Synopsis

Renfrewshire, one of Scotland's 32 council areas, is largely ignored in the general studies of the country's cultural heritage, yet this unique account provides an overview of the archaeological evidence for the county, which includes the Local Authority Areas of Renfrewshire, East Renfrewshire, and Inverclyde. Surprisingly, close examination reveals a wide variety of sites and artifacts that relate to the full range of prehistoric and historic human activity in Scotland, from the flints left by Mesolithic hunter-gatherers to the imposing remains of Renfrewshire industrial past. Anyone interested in archaeology, agriculture, cultural studies, and history will benefit from this book.

Customer Reviews

This book is very interesting and had a lot of information I had not heard before. I am glad I bought it!
